Summer 2008

Dear Congregant,

Temple Israel occasionally grants dues abatements to congregants whose temporary financial situation warrants assistance. These abatements are granted year-by-year and the following form is the confidential application used to request an abatement for the 2008-2009 fiscal year.

The information is received in a confidential manner and reviewed by the President, Treasurer, or Executive Director as described in the Bylaws of the Temple. This form will also be processed through the Accounting Department for billing purposes.

You may be requested to supply additional information. We will process your application properly upon receipt and notify you of our decision. Please complete the form quickly as the enrollment of children in the Religious School and High Holy Day tickets require dues to be current.

Yours truly,

Deborah Raboy
Treasurer
